

FISCAL NOTE

SB 2821 - HB 3122

February 14, 2004

SUMMARY OF BILL: Requires courts or court clerks in any county that participates in a payment plan for individuals with suspended driver licenses to establish procedures for facilitating use of such payment plans.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant

Estimate assumes any county offering the payment plan option that has not already established such procedures will experience an increase in expenditures for the administrative costs associated with developing such procedures. This increase is estimated to be not significant as it is assumed that most affected counties already have formal procedures in place.
